

THE FIRST ONLINE EVENT OF THE ITALIAN YOUNG CRYSTALLOGRAPHERS

28th-30th September 2020 - www.cristallografia.org

Who is the event addressed to?

We hope to receive many contributions from younger scientists and give them the chance to communicate their science to a wide audience

How can I contribute?

You can either record a video of your presentation or make a poster

Need more info?

Go to www.cristallografia.org to get more info or ask us at giovanicristallografi@gmail.com

Select the MS

#MS1 Materials and Minerals
#MS2 Biocrystallography
#MS3 Crystal Growth
#MS4 Theory and Methods
#MS5 Science & Society

no registration fees

Record your video

Make your presentation and video-record yourself while talking through the slides.

How can I participate?

Register for free for the event at www.cristallografia.org and submit your abstract by Aug 24th

Follow the guidelines

To get ready to deliver your contribution

Prepare your poster

Use either images or short videos to get it more appealing

Eye on the prize

There will be a poster prize for the best poster published

How my contribution will be delivered?

Send us your video and poster by Sep 14th. All videos and posters will be public released in our Youtube channel and Twitter on Sep 28th

Acknowledgment

Your contribution will be acknowledged with a certificate signed by the AIC President
