

Bursary Applications for the “IUCr Young Scientists Awards”; bursary sponsored by IUCr

Due to the IUCr sponsorship of ECA32, we can offer a limited number of bursaries for graduate, post-graduate and post-doctoral fellows who are below 35 years old, to support them to attend the ECM32 (travel and accommodation costs). No registration fees can be covered by these funds. The decision for the award is undertaken by a bursary committee.

Application documents:

1. Motivation letter for the bursary application including a short description of the current research project(s) (max. one A4 page).
2. CV with your name, address of your affiliation, contact details, date of birth, citizenship, educational background, employment history and current position.
3. Publication list of the applicant.
4. Letter of recommendation of the supervisor or head of department/group of the applicant.
5. Document to confirm the student, PhD or Post-Doc status of the applicant (i.e. matriculation of the university, etc.).

Note:

- **The submission of an abstract for the ECM32 is mandatory!**
- **Incomplete or late applications will not be considered by the bursary committee!**

Deadline for bursary application:

Deadline for the application extended to **17th of March 2019**. Applications should be sent before the deadline: berthold.stoeger@tuwien.ac.at

Notification of approved applications: 1st of April 2019

Rules for registration:

The award can only be granted with a valid registration for the ECM32. Therefore, we kindly ask you to register online for the conference <https://ecm2019.org/submission-registration/> at the latest until 15th of April 2019.

Note:

- Registrations made before 1st of April 2019 and paid for will not be refunded in case your bursary application is not approved by the bursary committee.
- Travel and accommodation has to be organized on your own. You can find information on accommodation possibilities in Vienna here <https://ecm2019.org/venue/travel-arrangements/accommodation/>
- Your participation to the meeting is mandatory and will be checked to get the bursary. Hence, you should identify yourself as a bursary holder when arriving at the registration desk for further directions. Please, bring your identity card with you.

ECM32 bursary committee:

Wulf Depmeier (IUCr executive committee)

Jan Dohnalek (ECA executive committee)

Kristina Djinovic-Carugo (ECM32 organizer)

Klaudia Hradil (ECM 32 organizer)

Ronald Miletich- Pawliczek (ECM32 organizer)

Berthold Stöger (Chair of Bursary committee, ECM32 organisation committee member)

Santiago Garcia-Granda (ECM31)

Filip Topic (GIG-01 Young Crystallographers)

Carlo Mealli (GIG-02 Senior Crystallographers), not confirmed

Annalisa Guerri (GIG-03 Education in Crystallography)

Marjolein Thunnissen (SIG-01 Macromolecular Crystallography), not confirmed

Simon Grabowsky (SIG-02 Charge, Spin and Momentum Density), not confirmed

John B. Claridge (SIG-03 Aperiodic Crystals), not confirmed

Holger Klein (SIG-04 Electron Crystallography), not confirmed

Frédéric Hatert (SIG-05 Mineral and Inorganic Crystallography), not confirmed

Ulrich Pietsch (SIG-06 Instrumentation and Experimental Techniques)

Carl H. Gorbitz (SIG-07 Molecular Interaction and Recognition), not confirmed

Antonia Neels (SIG-08 Powder Diffraction), not confirmed

Thomas White (SIG-09 Crystallographic Computing)

Karen Friese (SIG-11 Crystallography under Extreme Conditions)

Andzrej Grzechnik (SIG-12 Crystallography of Functional Materials)

Teresa Duarte (SIG-13 Molecular Structure and Chemical Properties)

Anders Madsen (SIG-14 Dynamics, Disorder, Diffuse scattering), not confirmed

Karl Gruber (local representative focal area 1)

Anton Meinhart (local representative focal area 2)

Helga Lichtenegger, Günther Redhammer (local representatives focal area 3)

Michael Reithofer, Matthias Weil (local representatives focal area 4), not confirmed

Oskar Paris (local representative focal area 5), not confirmed
